GET INVOLVED

March is Third-Party Awareness Month and we want to get you involved! An individual or group can host an event or sponsor an activity and make Ronald McDonald House Charities Wichita the beneficiary. RMHC Wichita relies on generous donors, volunteers, and community support to continue to offer a place of comfort for families of sick or injured children.

Why We Need Your Help

Last year, we served over 1,700 families in our two Ronald McDonald Houses and our Family Room in Wesley Medical Center. The services we provide, help relieve families of sick children's day-to-day stress, so they can focus on the only thing that matters - their child's health. This is how you help kids get healthy and strong.
