

3rd Party Fundraisers

Get Involved-

1. A group or individual can host an event or sponsor an activity and make Ronald McDonald House Charities Wichita the beneficiary.
2. RMHC Wichita can “piggy back” on an existing event, adding a third-party fundraising element, and receive the income produced from that element.

Guidelines-

RMHC Wichita has a set of guidelines that we ask all individuals and organizations to follow when fundraising on behalf of Ronald McDonald House Charities Wichita.

- We ask that you do not organize a third-party fundraiser that includes lotteries, gambling, fortune telling, and raffles/drawings without first discussing it with RMHC Wichita.
- Any third-party event that requires any type of license or proof of insurance should first be discussed with RMHC Wichita.
- RMHC Wichita cannot solicit money for a third-party event and have checks made payable to

the third-party. Checks must be made payable to RMHC Wichita (and be added to the proceeds received after the event) or we cannot be involved in the solicitation.

- The third-party event fundraising activity should be one that does not conflict with the cause, mission and values of RMHC Wichita.
- RMHC Wichita requires accurate use of its name and logo in all promotional materials by getting prior written permission for the event.
- A third-party fundraiser should not conflict with an existing and/or standard RMHC Wichita event.
- RMHC Wichita does not insure any third-party event or fundraiser.
