Facts about **RMHC Wichita**

- Since 1983, Ronald McDonald House Charities Wichita has been providing vital resources and compassionate care to children and their families being served by community health care providers.
- RMHC Wichita is a 501(c)(3) not-for-profit organization. We host a number of fundraising events throughout the year, and actively pursue grants. The majority of funds come from community support through individuals, businesses, churches and organizations. Additional community support comes from donation of pull tabs and wish list items.
- We have 20 rooms to host families, in a typical year we are full nearly every night.
- Families do not pay to stay here, we rely on the community to help keep us going and open. It costs us \$100 to host a family for a night.
- In addition to a room, we provide private bathrooms, large kitchens, laundry facilities, comfortable living areas, nutritious food, and the comfort of people who care
- Some families are here for a few nights, and some are here for months at a time. As long as you need us, we'll be here.
- In 2022 RMHC Wichita served 1,974 people, with the average length of stay being 9 days.
